

Bridging the Gap:
Portland's Mobile Medical
Outreach Project

A Public Health Initiative,
A Multi-department Collaborative.

Bridget Rauscher, Program Coordinator
Substance Use Prevention Program

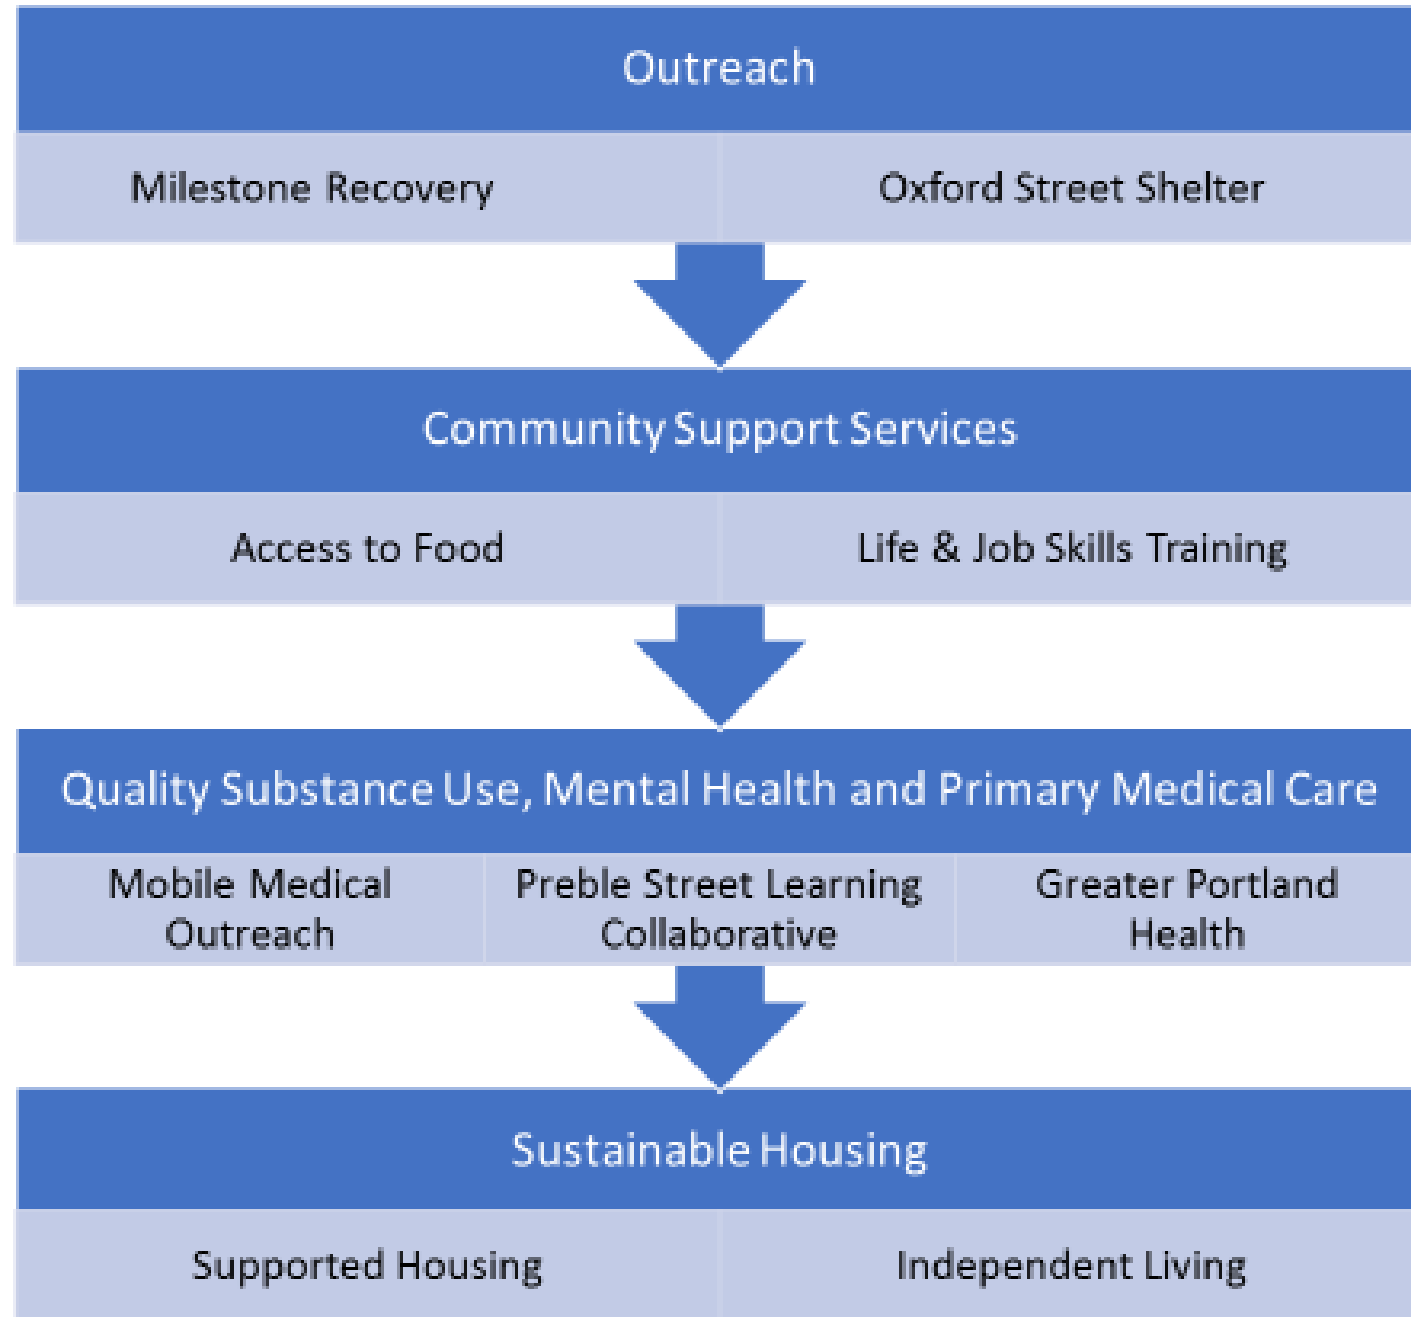

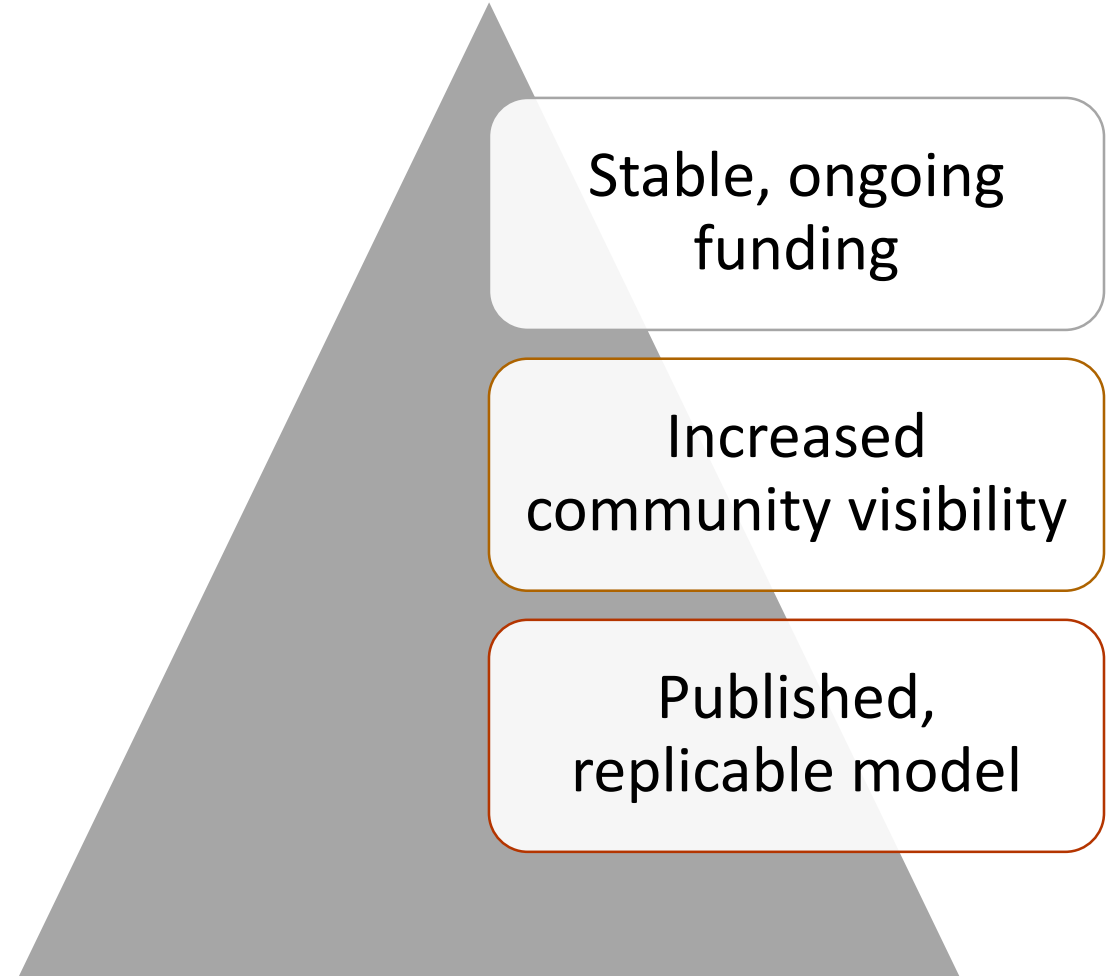

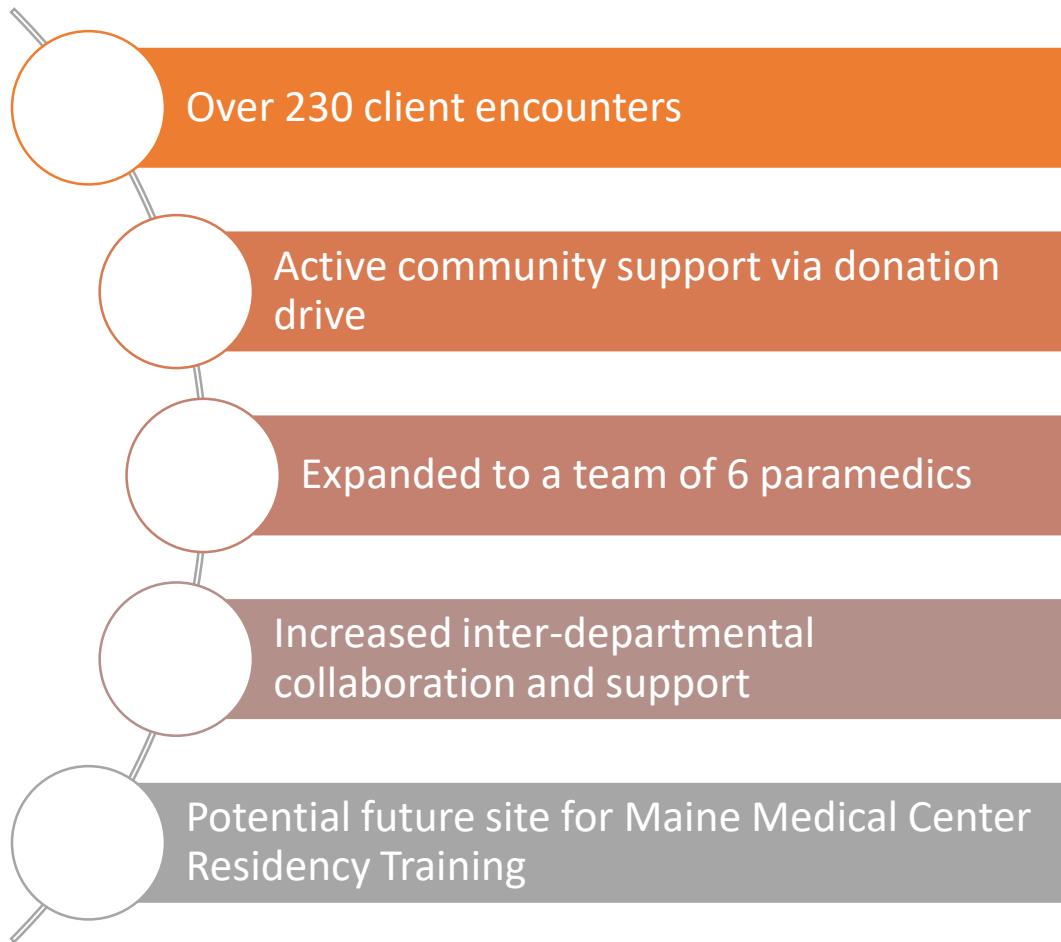

Project Goals

- Provide access to low-barrier, quality medical care to high-risk individuals in Portland
- Provide referrals for service, education and in-the-field treatment for manageable conditions
- Enhance the continuum of care with the ultimate goal of supported or independent housing

Successes to date and vision for the future:

Thank you!
