Hi Jeff,

First of all, thank you and your staff for all of the hard work preparing the excellent presentation yesterday and thank you also for attending all of the recent neighborhood meetings.

Some of my neighbors and I have been reviewing the presentation online and have a few questions we would like the opportunity to discuss with you. For example, I was very gratified and relieved to hear you mention the importance of the "Streetscapes" several times during your talk yesterday, but I don't see any mention of that in the actual presentation. I think this is one of the most important qualities of the neighborhood that many of us are wanting to protect, so I am interested in how the new guidelines may accomplish that.

Would there be a time this coming week, when a few of us could meet with you to discuss the staff proposals and to ask for some clarifications?

Thank you,

Maggy Wolf
