Dear Jeff,

I am writing to you again regarding my views on the impending zoning and historic district decisions. I have attached two photos taken this afternoon. The first is new construction on Morning Street across from #11. The second is new construction on Howard Street near Congress. The short form is I hope the regulations and historic district overlay will encourage construction like the Morning Street property and prevent construction like the Howard Street property.

I am very much in favor of an historic district, particularly if our home is included in it.

I hope to attend both the 5/7 meeting and the 5/8 meeting. Thank you.

The Russian dissident and chess grandmaster Garry Kasparov drew upon long familiarity with that process when he tweeted: "The point of modern propaganda isn't only to misinform or push an agenda. It is to exhaust your critical thinking, to annihilate truth."
