SUBJECT: Proposed Amendments to Section 6-154 - Allocation of Short Term Rentals

Introduction

The proposed amendment to Section 6-154, Allocation of Short Term Rentals, is to clarify the renewal process of the non-owner occupied mainland short-term rental units. These short-term rentals (mainland, non-owner occupied) are limited to 300 registered units in any one calendar year. A waitlist is created upon attaining the limit to help gauge market demand. Registration as a short-term rental for the upcoming year is required by January 1 of each year. The annual registration is on a first-come first-registered basis. Section 6-154 does not clarify if prior year mainland, non-owner occupied short-term rental units are automatically renewed (upon completion of an application and payment of the registration fee prior to January 1) each year. If these short-term rental units are not automatically renewed, there is the possibility, as the short-term rental industry grows, prior registered units may not receive renewal under the current first-come, first-registered process.

Section 6-154

Chapter 6 of the Buildings and Building Regulations Code mandates rental units must be registered and renewed annually (section 6-151 (a) 1)). Section 6-154 describes the allocation of permits for non-owner occupied mainland short term rental units as a “first come, first registered basis”. The proposed amendment to section 6-154 adds an “automatic right to renew” preference for these previously registered applicants that renew prior to January 1. Should a valid non-owner occupied mainland registrant fail to renew by January 1, then they forfeit their automatic right to renew. Re-registration is still available after January 1 if the 300 cap is not met or if their application is chosen off the waitlist.

Current Ordinance; Section 6-154

Sec. 6-154. Allocation of Short Term Rentals.

The limitations on the allocation of short term rental units identified in section 6-153(b) shall be allocated each year on a first come, first registered basis. Once the total number of units identified in section 6-153(b) has been reached, a waitlist will be formed to help gauge market demand. The City Manager or his or her designee may institute a lottery process at his or her discretion.

Proposed Amendment to Section 6-154

Sec. 6-154. Allocation of Short Term Rentals.

~~The limitations on the allocation of~~ Non-owner occupied mainland short term rental units registrations, which are limited identified in by section 6-153(b), shall be allocated ~~each year~~ on a first come, first registered basis. Once the total number of units identified in section 6-153(b) has been reached, a waitlist will be formed to help gauge market demand. The City Manager or his or her designee may institute a lottery process at his or her discretion to allocate any registration that becomes available after the formation of the waitlist.

Valid non-owner occupied mainland registrations may be automatically renewed each year upon application and payment of the registration fee, so long as the renewal is complete by January 1 of that year. Failure to renew by January 1 shall result in the forfeiture of the automatic right to renew the registration of a unit, and re-registration shall only be available if the limitations in 6-153 (b) have not been reached, or if the applicant is chosen off of the waitlist.

Recommendation

The Housing Committee may review and discuss the fee schedule amendment, and consider a motion to recommend or not recommend the amendment to the City Council or table the amendment for more review.

ARTICLE VI. RESIDENTIAL RENTAL UNIT REGISTRATION REQUIREMENTS

Sec. 6-150. Purpose.

The proliferation of real estate proprietorships, partnerships, and trusts having undisclosed, anonymous or otherwise unidentifiable principals, owning large numbers of residential rental properties, sometimes managed through unresponsive property management companies, has impeded the proper enforcement of this chapter, chapter 12 and other ordinances of the city. This article is intended to require the disclosure of the ownership of such property, to regulate the renting of property within the City, and to make owners and persons responsible for the maintenance of property more accessible and accountable with respect to the premises, and to ensure that owners and tenants comply with chapters 6 and 10 of the City Code.
