Dear Portland City Council:

I am writing to voice my support for "One Person, One Listing" short-term rental regulations in Portland, and I strongly believe that existing non-owner-occupied AirBnB properties should *not* be grandfathered in, because to do so would be to knowingly create two unequal tiers of profit opportunity and functionally establish two unequal classes of short-term rental operators in Portland. I hope the Council understands this and takes the appropriate steps.

Yours gratefully,
Joe Pinto
