We hereby certify that all of our products we offer for sale are of our own raising or of some person holding a City of Portland Farmer's Market License or that we will label any fruit, vegetables, flowers, seedlings and plants that are raised by anyone other than ourselves. We realize that no more than 25% of our total sales can come from the sales of produce not raised on our farms.

We certify that none of my products were raised outside the State of Maine.

We hereby certify that all statements made in the application are true. We agree and understand that any misstatements or omissions of material fact herein will result in refusal of license, understand that any information provided on this application shall become public record, and we hereby waive any rights of privacy with respect thereto.
