Who's Eligible?

Any new or existing Portland business or property owner that:

- is located on or in close proximity to Portland's peninsula,
- is developing or redeveloping commercial property within the specific boundaries,
- has public infrastructure improvements that are required by the City to complete the project,
- owes no outstanding property taxes, liens, fees or judgements to the City of Portland.

< Application

The Development Action Grant (DAG) is designed to encourage economic development by providing needed public infrastructure on projects meeting the program criteria.
