

## Weekly Trash & Recycling Collection Web App User Guide

This web app depicts the City Portland, Maine Department of Public Works - Weekly Trash and Recycling Collection Day.

**Navigating:** There are several ways to navigate around the app.

Pan around the map by clicking and dragging with your mouse. Zoom in and out using the

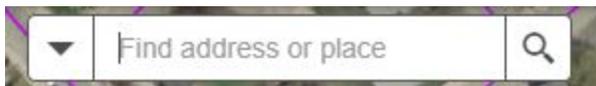

small buttons on the top left corner of the map. Clicking on the house icon , will allow you to return to the default city-wide view If you get 'lost'.

The current location button will show your position on the map if you are viewing the map on a GPS enabled device such as a smartphone or tablet.

### Address Lookup

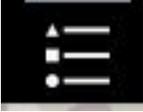

The address lookup icon on the web app allows you to **search for a specific city address** and **select your color-coded street feature on the map to see what day of the week your trash and recycling is being collected.**

**(Disclaimer)** All Weekly Trash and Recycling Pickup is subject to change due to City Holidays, Construction, Special Events, Inclement Weather, and Natural Disasters. Please refer to the [City of Portland's Website](#) for future updates.

**Links:** At the top of the web page, a banner contains an additional link: [City of Portland's Trash & Recycling Website](#). This link will direct you to the City's website for further information regarding the City's Trash and Recycling Program.

## Layers:

There are several buttons along the top left of the screen. To see a legend for the map, click on

the legend button:  .

You can turn them on and off by clicking on the layer button:  , and checking the box next to the layer you would like to see.

## Operational Layers

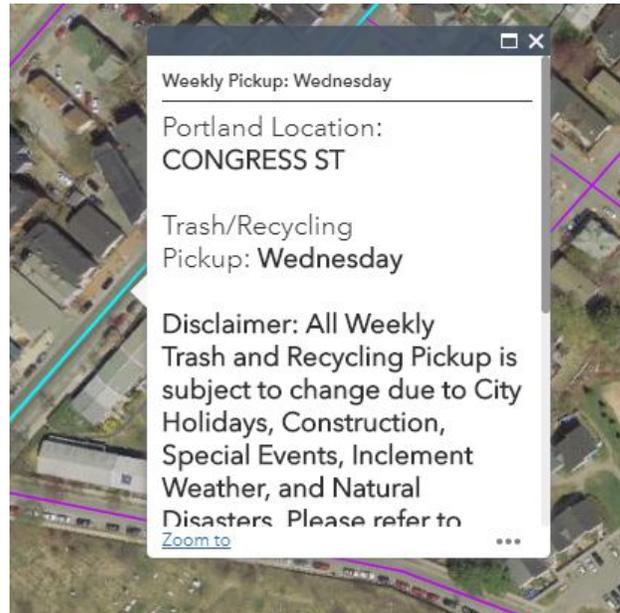

Along the left side of the web page is a sidebar displaying the “**Operational Layers**” that are visible on the interactive map. The user can turn these layers on or off and zoom to a layer on the interactive web map.

The weekly **Trash and Recycling collection layer** displays each day of the week, all are color-coded to represent the day that trash and recycling is collected on a specific city street.

## Selecting Map Features:

Selecting features on the interactive web map will allow popup windows to appear providing detailed information about your weekly trash and recycling collection with additional links and references, similar to the example below.

## Contact:

If you need help or have additional questions regarding this web application, **please contact the Department of Public Works - City of Portland, Maine at 207-756-8011**. Thank you!
