District/Neighborhood:	City-wide
Funding Source(s):	CIP
Year Contracted:	2021
Bid Amount:	Pending
Construction Date:	2021 Construction Season
Prime Contractor	Pending

**2021 CIP Pavement
Rehabilitation Project**

Project Description: This project is the City's annual Pavement Rehabilitation Project.

The goal of the paving program is to improve roadways in the City of Portland and bring them up to City standards. Preservation and extension of the useful life of these roads is a main goal.

The project utilizes various types of paving maintenance processes such as milling and paving, standard 1.5" overlays, and Light Capital Paving (a skinny overlay to extend the pavement life 5-7 years). In addition to the paving work, improvements will be made to curb ramps to comply with the Americans with Disabilities Act (ADA), minor drainage repair, and final striping after paving is completed.

The project is currently at Purchasing and we are expecting a bid date sometime in May 2021.

We anticipate construction to start shortly after bidding is complete and the project is awarded.

Streets included as part of this project:

- Birchwood Drive – Holm Ave to Dead End
- Colonial Road – Capisic Street to Rockland Avenue
- Florence Street – Pleasant Avenue to Hartley Street
- Fox Street – Washington Avenue to Anderson Street
- Hennessy Drive – Cypress Street to Dead End
- James Street – Pleasant Avenue to Hartley Street
- Kellogg Street – Congress Street to Adams Street
- Monument Street – St. Lawrence to Ponce Street
- Orange Street – Danforth Street to Salem Street
- Pleasant Avenue – Forest Avenue to Leland Street
- Sherwood Street – E. Kidder Street to Presumpscot Street
- Tyng Street – Danforth Street to York Street
- Walnut Street – North Street to E. Promenade

Island List (minor overlays – part of 2020 CIP Contract but will be completed in 2021):

- Pleasant Avenue
- Brackett Avenue
- Seashore
- Cushing Island Boat Launch
