To vote, complete the oval to the right of your choice, like this:

A: This proposed amendment requires all new emergency shelters to be opened 24 hours per day and, except for family and domestic violence shelters, provide shelter to no more than 50 individuals at a time. It requires individual emergency shelters to be located at least 1000 feet from one another, limits the size of individual shelters to a maximum of 150 beds except in situations when a shelter capacity emergency is declared, and limits the total number of individual shelter beds within a 1-mile radius to a maximum of 300. Domestic violence shelters which don't disclose their locations for safety reasons are exempt from both provisions. The proposed consolidation of the Joe Kreisler Teen Shelter and the Preble Street Teen Center into one facility at 343 Cumberland Avenue is also exempt from the buffer and density provisions.
